Guardians are reminded that your child needs to be supervised in the park. It is the responsibility of the Guardians not the coach or Alderwood Softball Association. Any Child under the age of 16 who is in the park without a parent/guardian will not be allowed to play.

A Message from the President

As your new President, I would first like to welcome all of the returning families as well as all new families that have joined Alderwood Softball this season. I am looking forward to working with each and every person to help advance, motivate and innovate our league for the future.

I would personally like to thank all those people that came up to bat this year to help Softball prosper in Alderwood for 2014. I would like to thank the 2013 Executive for maintaining the highest quality of fun that Alderwood Softball is known for and wish them luck as we venture into 2014 with an almost entirely new Executive team.

To all the players, I welcome you to your team of Fun, Fitness and Fair Play. We thank all the coaches that have volunteered their time to teach sportsmanship as well as the finer points of the greatest game in the world! Alderwood would not be going into its 66th Season without our many volunteers, but especially our coaches.

I welcome all the parents and guardians that signed up their children to play this year and it will be you that will reap the most benefits by helping your child to create memories to last a life time.

We are always looking for new and great ideas to help motivate our players into a fantastic year. We welcome any input that you may have. We ask that everybody put an effort into making this a very successful year by volunteering to help your coaches and league. We are always in need of volunteers to help in all areas of Alderwood Softball.

I would ask that anyone interested in continuing updates, reply to us by email, so that we may know your correct email to keep you updated as our season unveils.

Thank you for your support

Matthew King
