Blue Jays Game

This year Alderwood Softball will host the 5th annual Blue Jay Day on July 19, 2014. All players will receive a FREE ticket and adults will have the opportunity to purchase tickets as well. All players must be accompanied by an adult. This event is very popular and we have received wonderful feedback from the parents and children who have attended in the past. Don't miss it!

Uniform handouts

On May 13 at the park we will be handing out team uniforms. We ask that all players meet up with their coaches early.

Apr. 29 Parent Meeting

This is a great time to meet all the executives that run your league. If you have any questions this is great time to have them answered. You will be able to hear how the league is planning many special activities during the season. Please mark this day down on your calendar.

Helmets & Gloves

It is the responsibility of all players to provide their own helmets and suitable ball gloves along with a Jock or Jill.

Help Us Help The Children

In 2013, Alderwood Softball donated team shirts, shin guards, chest protector's, gloves and helmets to less fortunate children in Ukrainian orphanages. This year we would like to do the same but with the help of our parents and players. We would like to ask you if you have any old baseball equipment that you are no longer in need of that you consider donating to our great cause! Our past president, Griff will be setting up a date sometime at the beginning of the season for you to bring all your donations to the park. See how we helped in 2013 on YouTube below.

T-Ball players

Our 3 & 4 year old players are about to venture into their first ever sport. We ask that you the parents help us make this the most fun they will have this summer. We ask that all parents come out with their own ball gloves to help the kids with catching drills.

Rookie players

Rookie players ages 5 & 6 is an advance style of T-Ball. Rookies will learn how to hit a pitched ball rather than use a tee.

Snacks for the players

It is our policy to provide snacks for the players after every game. Parents are asked to supply snacks for the team on a rotating basis, which usually works out to a few times per season. Our Snack-bar has lots of choices and team discounts. We hope you will support our Snack-bar as it helps support our league.

Game Times

We ask ALL players to be at their games 15 minutes beforehand so coaches can make up their game sheets.

If you are not able to attend please let your coach know well in advance

Action in the Park

Here are some action shots from past years. If you have an action photo please feel free to submit to our website.
