Save Our Park

We are proud of our park as being one of the best in Toronto. We are continuously working with the parks department to keep it up to the standards you deserve.

Please be respectful and pickup any debris you may find around the diamonds that your team may leave.

We ask all **COACHES** to keep the dugout clean for the next teams that will be using the park.

UNIFORMS

It is a good practice to put your child's name in their hats.

Players must wear their complete uniform with shirts tucked in.

Check with the snack bar for sales on extra hats and uniform if available.

BLUE JAY tickets on sale

We will be selling Jays tickets starting June 2nd.

All Players will receive a free ticket when accompanied with a parent or guardian.

Non player tickets are **\$25** each. Our Orange shirt Executive will be going around each diamond to take your orders. Please remember tickets are limited, ... first come first go to the game!

Jr. Jays Saturday presented by Boston Pizza TIME 1:07 pm

JULY 19, 2014 Texas Rangers vs Toronto Blue Jays

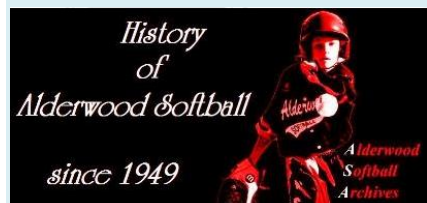

Our History

Alderwood Softball has been around since 1949 for the community youth. They have been local, city, and provincial champs in their days

Many of the parents and grandparents have played at one time or another for Alderwood.

You can now see the history on line. Check it out you may see someone you know ! Click on the banner in the middle of the home page or go to the side bar and click on "ASA History"

Help Us Help The Children May 26-27

During our "Meet the Sponsors" we will be holding our baseball equipment drive to help children's orphanages in the Ukraine. We would like to ask you if you have any old baseball equipment that you are no longer in need of, that you consider donating to our great cause!

Pictures on the Site

Now and then we will be taking Action shots of players for our website. Our Picture Albums are password protected and can be only accessed by parents of players. If you wish to see the pictures please provide the name of the player, division, and your connection to the player.
