

## ALDERWOOD SOFTBALL ASSOC

In 2013 we sent all our old equipment to (HUHTC) "Help Us Help The Children" for children living in orphanages in Ukraine. The equipment was picked up by Mary Barida, a parent in our Squirts division. We would like to follow up again this year by sending more.

We would like to ask all the players and parents if they could donate any old or unused equipment and uniforms to help these children in need. We will be collecting at the park on **May 26 & 27**. Thank you.

See our thank you on YouTube [Thanks from HUHTC](#)
