

Alderwood Archives was set up to record the history of Alderwood Softball in 2009' the Sixtieth Anniversary of a league The league was setup for the local community to participate in softball. A sport that was very common across the city and Provence.

Alderwood Softball was started in 1949 and the history was never recorded. Now we have a recorded history. With the help of many people supplying pictures, names and articles we were able to form the history.

There is still many gaps in our history and we need everyone's help in completing the history. We are in desperate need of any photos you have as a player or coach. You can email or we can scan your photos and return them back to you quickly

We are having a reunion January 24, 2015 for all the players and coaches of ASA that participated since 1949 to date. Come meet some of your old team mates and share stories and pictures. Be sure to pass this to someone you know from Alderwood!

Visit our site <http://Alderwood-Softball.blogspot.ca> and see some of our pictures and stories of a time forgotten. You can also email us at [alderwoodsoftball@gmail.com](mailto:alderwoodsoftball@gmail.com) .

#### **REUNION:**
