President's Message

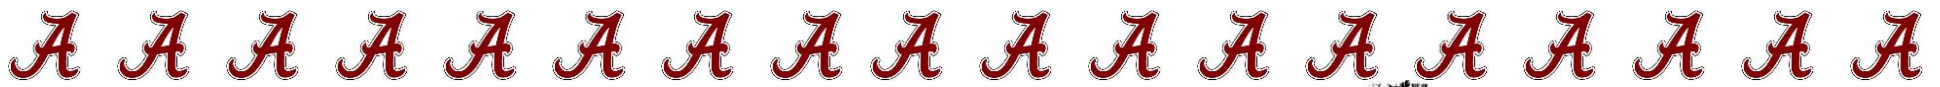

On behalf of the 2015 Executive I would like to welcome all players, parents, volunteers, family, and friends to Alderwood Softball Association's 2015 season.

Since 1949 ASA has been providing the exciting game of softball to South Etobicoke's boys and girls, impressive to say the least. Why is ASA one of Ontario's longest running associations? Our program is second to none, we strive to make the season full of enjoyment for our players and parents. With many extracurricular activities such as Pizza nights, BBQ nights our Blue Jay game excursion added with our weekly games makes this program very fun filled.

We have great expectations for this season not only from us but you as well. Our commitment to you as a member of ASA is bring a program that you will be proud to be a part. Our motto of Fun, Fitness & Fair play will head what we want to accomplish. As we progress through the season we will see players making great strides in becoming better players, better teammates and most of all better individuals. What we expect from you as a parent is encouragement not only for your son/daughter but all players, give a helping hand to your coach when needed, give a little time to the league, helping with the snack bar, selling 50/50 tickets, help on Pizza and BBQ nights, a small amount of time goes a long way in keeping ASA the best organization in the city.

Your 2015 Executive lines of communications are always open, if you have any questions, like to volunteer or you may have a suggestion on improving the league please feel to talk with us or you may email. During the course of the season we shall have newsletters, emails, updated websites to keep you all informed of important updates. Let's together make 2015 the best season to remember for our future stars.

Derek Morton
Alderwood President

Game Times and Field info

Alderwood Concession

Please visit us for your drink and snack needs. Team Specials are available for those buying in bulk for their team. The Alderwood Concession is a means of raising funds for the Association and includes various souvenirs.

NO PARKING on field level (drop-off & Pick-up only)

Game Cancellations / Absence

The Executive will only cancel games when there is obvious danger to players. We will post any cancellations that we are aware of on the Website/Facebook/Twitter and Hotline by 5:30 pm. If you are not sure if you will be playing please contact your coach directly. Also it is your responsibility to advise your coach if you will not be playing at a game. **Please Note – showing up late could cause your team to lose by default**
